3 Observations / Applications About God’s Word:

1. God’s Word and God’s standards do not **change**.

“I the LORD do not change...” - Malachi 3:6

2. God’s Word and God’s standards always point us to **Jesus**.

“So the law was put in charge (became our schoolmaster, teacher) to lead us to Christ that we might be justified by faith.” - Galatians 3:24

3. God’s Word and God’s standards are full of pictures and **warnings** about the eternity that is to come.

My Next Steps:

- This week, with every warning label I see, I will think about God’s love and the warning He gives me about eternity.
- This week, every time I stretch or see someone stretching, I will remember Jesus is returning soon.
- Today, I prayed and asked Jesus to forgive me of my sin and to be my Savior.
- Please send me more info about how I can trust Jesus Christ as my Savior and Lord.
