**Key Truth:**

Right ***thinking*** will always lead  
to ***right*** living.

*Verse 17 – “two-drachma tax” – equivalent of two days’ wages for the average worker. Dates back to Exodus 30:11-16, 38:25-27. Tax used to furnish and fund the work of the temple. Was also a reminder to the Israelites that God rescued them from slavery in Egypt.*

**My Next Steps: This Week...**

- Every time I see someone fishing, I'll remind myself that right thinking always leads to right living.
- I will pray and ask God to reveal any areas of my life where I might be causing others to stumble (and then I will change that behavior).
- I will memorize Romans 12:1-2, "Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—His good, pleasing and perfect will."
