

“What God Expects and Our Family Needs”

Joshua 24:14 & 15

Pastor Tony Parker

June 15, 2014

Key Thought:

As the spiritual leader of my family,
God expects me to train my children to know about Him.

(Sermon Notes, continued)

Action Steps:

As the Dad, I will...

- Read Joshua 24:14 & 15 and pray about choosing to be the leader in my home, starting with leading my family to church on Sundays.
- Have one meal a day together and talk as a family about how God is working in our lives.
- Teach my children the Bible, getting an Action Bible or another Bible for them that is appropriate to their age/stage.
- Start to learn the Bible myself by getting a study Bible, and grow in my knowledge of the Word of God.

As the Mom and/or children, we will... thank God for Dad and pray for him.
