

Home for the Holidays “Cleaning House”

November 23, 2014 ~ Psalm 51:1-19
Pastor David Whitten

“Create in me a clean heart, O God,
and renew a steadfast spirit in me.” Psalm 51:10

Parasite – **anything** that diminishes the **quality** of our life
and relationships.

3 Steps to Cleaning House:

1. We must humbly **admit** we have a **problem** (Psalm 51:1-9; Proverbs 16:18).
2. We must **confess** our sins to both God and **man** (2 Samuel 12:1-13; Psalms 51:1-9; James 5:16).

(over)

Sermon Notes (continued):

3. We must **restructure** our life (Psalm 51:10-15).

V.10 – *create, renew*

V.12 – *restore, grant*

V.13 – *teach*

V.14 – *save*

V.15 – *open*

My Next Steps:

1. This week I will confide in a trusted friend about the parasites (sins/struggles) in my life.
2. This week I will pray and read the scripture daily (1 Psalm a day – Psalm 51-57)
3. This week I will pray daily for the marriages and families within FishHawk Fellowship Church.

Today's Worship Songs:

Hallelujah What a Savior - *Austin Stone*
Open Up Our Eyes - *Elevation Worship*
Alabaster Jar - *Gateway Worship*
In Christ Alone - *Passion*

- We would like to be mentored.
- We would like to become marriage mentors.
- I will pray for the marriages in our church to be healthy and Christ-focused.
