

"Finding Your Seat"

I Corinthians 7:28-35
Pastor David Whitten

There are two options for avoiding the troubles that come with marriage and family:

1. Remain **single** (vv.1, 7, 28-35)

trouble / *thlipsis* (Greek) = pressed together or under pressure

2. **Redeem** the Day (vv.29-31, 35)

My Next Steps: This Week...

1. I will pray for the single adults I know to have an undivided devotion to the Lord.
2. I will create margin in my life and family so that I can serve God and others in a greater way (M&M Principle = Modest and Manageable).
3. I will seek to redeem the day and take advantage of the opportunities God gives me to make an eternal difference in the lives of others.
4. Other: _____
