

"Passing the Plate"

Ephesians 5:17-21
Pastor David Whitten

Grace (Charis / Gratia) = "kindness or favor"
Westminster Dictionary of Theological Terms

There are two tracks upon which grace can flow:

1. Loving God and servicing others.
(vv.15-18, 21)

2. Speaking kindly and giving thanks.
(vv.19-20)

Key Truth:

When it comes to marriage and family, showing grace is just as important as saying grace.

My Next Steps:

1. This week I will read the Scripture and pray daily so that Jesus, who is full of grace, can empower me to show grace to those around me.
2. This week I will look for opportunities to serve my spouse/family and express gratitude and appreciation for who they are and what they do.
3. This week I will make it a point to "TURN TO" my spouse/family when they reach out to me.
