

I AM: The Resurrection and the Life

“Hope Floats”

Pastor David Whitten ~ March 15, 2015

John 11:1-44

Key Truth:

**Knowing the living HOPE leads to HOPEFUL
living.**

Next Steps:

1. This week I will read / continue reading through the Gospel of John.
2. This week I will share the hope of Christ with someone who feels that all hope is lost.
3. This week I will pray daily for our Easter Eggstravaganza, Easter services, and three (3) people who are going through difficulties and struggles.
