

Dear Fishhawk Fellowship,

I hope that you are doing well!

I wanted to let you and our other missions contacts know about a very special opportunity. One of the many things we are doing through HaTikva Families is providing post adoptive financial support to families adopting children. The Mitchells are an amazing, believing, adoptive family that we want to continue supporting. We are looking for those who may be interested in “adopting” this adoptive family to help provide for the need of their children.

[Here](#) is a brief explanation of the background and current need of the family as well as a picture and a [video](#). Please let us know if you, your church, or congregation would like to be a part of this Israeli adoption success story!

Blessings,

Evan Levine
