

Recommended Resources

Along with using the Bible, you are welcome (but not obligated) to use approved resources within your discipleship relationships.

The following are some of the optional resources we at Fishhawk Fellowship recommend. We intend to update the list as we go. This list does not imply that we are in complete agreement with everything within these books, but we hope you find them as helpful supplemental resources. The Bible is our supreme resource for every issue and topic and we need to continually examine everything we study and bring it back to the authority of the Scriptures

If you would like to use a resource that is not already listed on our website, it first needs to be approved by our Discipleship Pastor, Pastor Bob. For approval requests please email the title/author to Kaitlyn.

If you are in need of a financial scholarship for any of the materials used in your discipleship relationship, we are happy to make this available to you. Please email Kaitlyn to make a request.
