

## The Welcome Ministry Team

This is the group that will be responsible for providing an engaging and friendly first impression for everyone who visits us on Saturday Nights. If your passion is to encourage people and make people feel warm, welcome, and comfortable, then this is a perfect spot for you! On Saturdays, our Welcome Team will make the difference as we help people find parking, navigate the campus, enjoy the “Front Door Experience”, and get acquainted with FishHawk Fellowship Church.

### Volunteer Positions and Involvement Information
