

THE GOAL OF COMMUNITY LIFE GROUPS

THE GOAL OF COMMUNITY LIFE GROUPS

The goal of the Community LIFEgroup is to saturate the community with the gospel of Jesus Christ. Community groups have the ability to fill every nook and cranny of our community as outposts of the gospel, reaching our neighbors for Jesus. **LIFEgroups can be the new front door to the church.**

INVITE PEOPLE TO YOUR **HOME** BEFORE YOU INVITE THEM TO CHURCH

- Just ask them! Many people never attend a Bible Study or church simply because they have never been asked
- Ask them out for coffee, invite them over for a meal
- Remember God has already been working on them. John 6:44 “God is drawing people...”
- Start praying for your neighbors, learn their names, pray for them to be open to attending your group
- Ask those in your group (who attend FFC) to pray for your neighbors and their neighbors as you all just ask people to attend
- People want to be wanted

HYBRID LIFEgroups ARE ALWAYS A OPTION

If you have friends, co-workers, neighbors to invite to your home, conference room or restaurant, you can lead a LIFEgroup. Do whatever your group likes to do, then have a Bible study. Here are some **Hybrid** options:

Exercise Group

Running Group

Fishing Group

Sewing Group

Coffee Group

Monday Night Football Group

You name it and make a LIFEgroup.
